MEMORANDUM FOR THE CHAIRMAN, JOINT CHIEFS OF STAFF

SUBJECT: An Appraisal of the Bombing of North Vietnam (U)

1. (U) In conformance with guidance provided by the Secretary of Defense, this agency in collaboration with the CIA has been providing a monthly analysis of captioned matter on a monthly basis or whenever there is a significant change in our evaluation.
2. (S) Because of the relatively short time since the reinitiation of ROLLING THUNDER, generally inclement weather in the operating areas, and the absence of significant developments, a negative report is submitted.
3. (S/NFD) Attached are copies of the DIA Results of Strikes on DRV Targets for 31 January and 15 February 1966. It will be noted that only minor changes have been made in strike results. While additional effects almost certainly are occurring, the normal time lag in reporting from the field as well as the adverse weather conditions prevailing in southern North Vietnam prevent more definitive enumeration of results at present.
